**MURDER OF THE UNBORN**

“The Father shall set upon the world a chastisement, a most severe chastisement to mankind. The murders of the innocent babies, children killed without reason, promoted by satan—the murder of the Holy Innocents!

“Know, My children, that all will stand before the Father and be judged for the crime of murder. Repent now of your way. Stop now, while you have the time, the murders of the unborn.

“The Father breathes the spirit of life into the body of the unborn at the moment of conception. The Father has a plan for each life He permits to be born. No man has been given the right by the Father to take this life. The punishment must be returned. This abomination among mankind shall not be tolerated much longer! You have in your human nature adopted licentiousness! Your children, awaken! Come into the light! You have submerged your spirit in deep darkness.”

*Our Lady, December 28, 1974*

**UNLESS THEY SHEED THEIR BLINDNESS AND REPENT**

“The Kingdom of Heaven was made for all, but all will not enter unless they shed their blindness and repent of their own will. Many have cast aside the graces given to them. They are blinded to the eventual fall. They have been misled to believe that their life will be endless. Every hair of your head has been counted. Every moment of your life is balanced. The choice has always been yours to make: the kingdom of satan or the Kingdom of My Son. We want you with Us. Turn not from Our pleas into the path of satan, for he is waiting to gather you into his kingdom of the fires.

“Persevere, My children. Accept the scorn of the world, for your reward for this suffering will be greater than all the knives that tear at your heart in this Mission from Heaven.”

*Our Lady, December 26, 1970*

**YOU HEEDED NOT MY WARNINGS**

“It was not the will of God that forced this cross upon you, My children. For My voice hath cried to you through endless years to repent. But you heeded not My warnings. My travels have been world-wide, My tears shed in every land. My voice grew weak, and now there will be the great pause. During this time, My children, I can only impress upon you the necessity for constant prayer.

“Guard your doors well now against the enemy who walks the land. He has come to your locality to try to destroy My work here. He knows that We plan to recover many souls by your vigil of prayer.”

*Our Lady, February 1, 1971*

**ABORTION**

“The soul lives on forever. The soul is entered in the body at the moment of conception. We abhor, We will not tolerate the murder of the unborn! Mankind seeks a terrible chastisement far beyond what his human mind or sight can ever conceive, for his actions against the creation of the Father.

“Murderers! As such you break the Commandment of the Father ‘Thou shalt not kill.’ Damnation, eternal damnation will be the sin of an uncaring heart. The choice has always been yours to make: the kingdom of satan or the Kingdom of My Son. We want you with Us. Turn not from Our pleas into the path of satan, for he is waiting to gather you into his kingdom of the fires.

“Persevere, My children. Accept the scorn of the world, for your reward for this suffering will be greater than all the knives that tear at your heart in this Mission from Heaven.”

*Our Lady, December 26, 1970*

**ALL CANNOT ENTER**

“The dark days ahead will be a test for all. It will be like placing the metals in the fire and the separating of the sheep from the goats. We abhor, We will not tolerate the murder of the unborn! Mankind seeks a terrible chastisement far beyond what his human mind or sight can ever conceive, for his actions against the creation of the Father.

“Murderers! As such you break the Commandment of the Father ‘Thou shalt not kill.’ Damnation, eternal damnation will be the sin of an uncaring heart. The choice has always been yours to make: the kingdom of satan or the Kingdom of My Son. We want you with Us. Turn not from Our pleas into the path of satan, for he is waiting to gather you into his kingdom of the fires.

“Persevere, My children. Accept the scorn of the world, for your reward for this suffering will be greater than all the knives that tear at your heart in this Mission from Heaven.”

*Our Lady, December 26, 1970*

**THE CHOICE HAS ALWAYS BEEN YOURS TO MAKE**

“My voice grows weak, child, cries, but grows weak. How long must I shed My tears for an uncaring world? How long must I care for a world who cares for the things of satan? Everyone will fear, and the good will suffer, for they will fear the damnation ahead for those who choose to lose the way.

“Repent now, while there is still time! Make sacrifices and reparation for His abused heart which is already too much shattered by the sins of an uncaring world. The choice has always been yours to make: the kingdom of satan or the Kingdom of My Son. We want you with Us. Turn not from Our pleas into the path of satan, for he is waiting to gather you into his kingdom of the fires.

“Persevere, My children. Accept the scorn of the world, for your reward for this suffering will be greater than all the knives that tear at your heart in this Mission from Heaven.”

*Our Lady, December 26, 1970*
lot of all who take part in the murder of the unborn. Repent now of your sin! Make restitution to the Father, for you will be held accountable for the murders of the unborn.”

**Our Lady, June 8, 1974**

**MANY OF THE HIERARCHY HAVE SUCCEUMBERD**

“In your well-meaning actions of opening My Son’s Church to all without conversion, you have allowed yourself to associate with heretics, and many are selling their souls to get to the head. Unless they repent of their actions and seek to restore My Son’s Church to its former glory, many mitres shall fall into hell! All who cry ‘Lord, Lord!’ shall not enter into the Kingdom of Heaven.”

**Our Lady, July 5, 1978**

**REPEL NOW OF YOUR SIN**

“The clergy upon earth, in all denominations, cannot give themselves over for experience with errors. For many souls shall be lost to Heaven. Clergy in My Son’s House in Rome, under the direction of the Seat of Peter, you must recognize that the world is closing in upon you, and you will die on the vine if you conform with it.”

**Our Lady, August 5, 1977**

**AIDS EPIDEMIC**

“O My children, I hear your cries because of the AIDS epidemic in your country and the world. I plead for you to the Eternal Father, to remove this plague from among mankind. And I have great news for you this evening. My children. The Eternal Father and My Son have made it clear to Me that if man will repent of his ways that have given—been given to him by satan—the knowledge of, and man continues upon the road to his own destruction once again. Have you forgotten so soon?”

**Our Lady, June 18, 1990**

**LISTEN, OR MEET THE FATE OF AN UNRENTED GENERATION**

St. Michael - “Hasten now! Listen to me, you men of irreverence of earth! I am Michael, guardian of the Faith, guardian of the House, guardian of souls within the House. I speak to you now. You will listen, or meet the fate of an unrented generation.”

**Our Lady, June 18, 1990**
