"And then shall appear the sign of the Son of man in heaven: and then shall all tribes of the earth mourn: and they shall see the Son of man coming in the clouds of heaven with much power and majesty."

— St. Matthew 24: 30

We are presenting excerpts from the treasury of heavenly messages given by Our Lord and Our Lady to their voice-box seer Veronica Lueken, from the years 1968-1994.

"I WARNED YOU IN FATIMA"

"O My children, I warned you many years ago, I warned you in Fatima that, unless you prayed and did penance, Russia and the agents of the s��le and the hammer would go throughout the world cutting down nations and bringing death, destruction, and slavery."

"And you, My country, America the beautiful, you are all-wise but stupid in management, for you have the picture of your coming destruction right before your face and you refuse to look. Like drunkards, you build your hopes on what? Not faith! On man? You think that man shall stop the destruction? No, I say unto you! Because of your fall to punishment. And how can we stop this now?

"Many mitres now hold major responsibility throughout your world, and become agents of hell. They have had the time now to take a firm and steady hold upon your children. The teachers committed by your children. The teachers now are agents of hell."

"My children, you must now act upon My counsel. Each and every one who hears My voice must act. It is too late now to sit back and expect your neighbor, your brother, your sister, to go forward as a solitary agent. You must now gather together to fight the evil."

— Our Lady, November 19, 1977

"MANY HAVE REJECTED HER COUNSEL"

"My child and My children, I do not intend to elaborate upon the counsel of My Mother. I only admonish you now to accept all of the direction from Heaven as given to you through My Mother. She has carried a very heavy burden for you all as your Mother. Many have rejected Her counsel, many have listened, and then were carried away by the cares of your world, and forgotten this counsel. Sadly, they will come to their senses soon, but it will be too late."

— Jesus, November 20, 1979

"SEIZE THE DAY OF YOUR AGE"

"Avoid all occasions of sin. Pray a constant rosary. Gather with your families, and I say this, hidden, for they may have hidden for years from your children and your families, and I say this, hidden, for many have cast aside the use of any relics in their homes. You children must have the statues and the relics as constant reminders of the road they must remain on. The world outside your doors now is a world of satan. Many shall come with sad faces to the door, that they try to come back too late onto the road to Heaven. There will not be time for many to return. Prepare your household, My children."

"We do not come to you to set fear into your hearts, but We must give you a full realization of the days you are living in. The time that had been written of and spoken of by the prophets of old, that time is now, My children.

"Includes My Mother’s messages to the world with My words of direction also: biweekly, in directives to Our clergy and laity."

TOO LATE  PART 3

"And then shall appear the sign of the Son of man in heaven: and then shall all tribes of the earth mourn: and they shall see the Son of man coming in the clouds of heaven with much power and majesty."

— St. Matthew 24: 30

"It has progressed and is too late to be stopped."

— Our Lady, June 30, 1984

CONSECRATE RUSSIA OR DIE

"O My child, how My heart aches, for I have been with you here for so many years, and how many have We gathered? There are thousands of souls who have heard the Message from Heaven and they have turned their backs, so hardened are their hearts, and have defaced their cars to the call from Heaven. They will come down upon their knees and beg in repentance, but it will be too late for them. Is this what you want, My children? Must you be punished to be brought back to the fold?

"O Our wandering sheep are going without true leaders. My priests of the world, I say to you now, you must listen to My voice from Heaven. You must consecrate Russia to My Immaculate Heart or you will die."

— Our Lady, April 14, 1984

SATAN HAS FIRM HOLD ON CHILDREN

"While man has cast aside the knowledge and the belief of the supernatural, satan and his agents have had the time now to take a firm hold upon your children. O My children, all manner of foul and debased acts shall be committed by your children. The teachers now are agents of hell."

"My children, you must now act upon My counsel. Each and every one who hears My voice must act. It is too late now to sit back and expect your neighbor, your brother, your sister, to go forward as a solitary agent. You must now gather together to fight the evil."

— Our Lady, April 14, 1984

"THE FINAL DAYS OF YOUR AGE"

"Include My Mother’s messages to the world with My words of direction also: biweekly, in directives to Our clergy and laity.

The messages are requested to kneel in the presence of Jesus. The Message was repeated word for word by Veronica. Veronica also described what she saw. All has been recorded on audio tape.

WARNINGS TO THE VATICAN

"If you continue, O pastors and those who rule the Eternal City in Rome, there will be no other recourse but to reduce you to ashes and build anew. How many souls shall be lost to the Kingdom because of your misconduct? You are followers loosed from the abyss with all manner of new religion. "You have been given a truth, you have been established in Tradition and Faith. Why do you not seek any remedy for the destruction of your soul and those in your care? "Awaken, My pastors; you have fallen asleep. Awaken now before it is too late! You will not reject the doctrines of sinners into My House and among My sheep. "Many mittles shall fall into hell! Rank is not a signification of the soul."

THE FOULEST OF CRIMES AGAINST YOUR GOD

When a man has stepped over the threshold and allowed himself to fall into mortal sin, he must be purified by trial, but he must also, My children, be purified by the rule of penance. What manner of evil is being set now upon mankind that compels him to lose his soul by rejecting the Sacraments, by no longer confessing to his confessor, but coming to receive My Son in sacrifice, while his soul is degraded by sin of mortal nature?

"O My children, leaders of Our flock, Our pastors, you must spend more time in voicing out, crying against the evils that have invaded your society. You are, in your permissiveness, scattering Our flock. You are, in your permissiveness, floundering, and the bark is sinking. I have asked you to keep the permissiveness, scattering Our flock. You are, in your invasion your society. You are, in your past. View carefully the ordinary, the mundane, the common. The past may not now direct your course, but the future must use it as a guide. It is not now that we must see the past. The past is to be used as a guide. It is not now that we must see the past. The past is to be used as a guide.

PROTECT YOUR CHILDREN

"I also must give to you at this time another fact of your lives upon earth. You as parents—mothers, fathers must guard your children from the evils of the times in the lives of your children, for they will bring much sorrow to your hearts as they grow—they grow in a world that has been given to satan. When your child opens his home, the door, he will face the agents of satan upon earth to reclaim his soul. Protect your children, My children, be sure that as a parent you do not let your children go down in your duties to take care of yourself. "Your children are being raised to know no sin. They must be taught, My children, that the knowledge of the Church is the only real knowledge there is, and that you must teach it to your children. "Your children are being raised to know no sin. They must be taught, My children, that the knowledge of the Church is the only real knowledge there is, and that you must teach it to your children.

PARENTS, ARE YOU BLIND?

"Your children are being raised to know no sin. They must be taught, My children, that the knowledge of the Church is the only real knowledge there is, and that you must teach it to your children. "Your children are being raised to know no sin. They must be taught, My children, that the knowledge of the Church is the only real knowledge there is, and that you must teach it to your children.

HOLY HOUR

Our Lady instructed Veronica to hold a Holy Hour each and every Sunday for the intentions of the Pope and all clergy, and in preparation for the profanation of the Lord’s day. This Holy Hour was held at 10:30 a.m.; the Vigils of prayer from 7:30 to 10:30 a.m.; both events at the Vatican Pavilion Site in Flushing Meadows–Corona Park, borough of Queens, in the city of New York. The Apparitions continued until June 18, 1944, and a message was given every Vigil that Veronica was present. A list of all the instructions, additional copies, and a calendar of upcoming vigils, including a map, will be directly accessible.
